Amarillo welcomes thaw as CISD offers talks on land

Amarillo School Supt. Bob Ashworth welcomed Wednesday morning a call from the Canyon school board to reopen talks on the controversial annexation by Amarillo of Canyon district lands.

"I think it seems a proper approach to have both boards sit down and talk over the problem," Ashworth said.

He said he feels the Amarillo school board will also be receptive to the idea of renewed talks about the annexation of land to the southwest of the city.

Canyon board members agreed Tuesday night to begin anew talks with the Amarillo board concerning the controversial land annexation problem.

Board Member Ed Wieck of Umbarger initiated discussion of the topic when he suggested late in the Tuesday meeting that the Canyon board should renew negotiations with Amarillo.

In the process of deciding whether or not to reopen negotiations, the board also discussed the pros and cons of allowing Amarillo to annex any Canyon district land.

The subject of land annexation by Amarillo has been brought up frequently in the last two years and residents of one development — the Glendale Addition — have petitioned to be annexed by Amarillo. A final ruling by the Texas Education Commissioner on the annexation is still pending.

In the past, the Canyon board has refused to allow annexations of land although both Amarillo and Canyon boards have met together to discuss the possibility.

Roscoe Richardson backed Wieck's call for a renewal of discussion Tuesday and said contents of Hunsley Hills Developer A.W. Lair, who asked the board to allow further annexations during their last regular meeting earlier this month, raised "a point or two."

Richardson said it initially appears the Canyon district might not have to construct an ever-increasing number of schools in the north part of the district if Amarillo is allowed to annex the land to the southwest

of that city.

"I really think it needs a good airing out before we talk about a bond issue," Wieck said. "There's liable to be so much conflict it might affect a bond issue."

The Canyon board is planning to call a bond election to issue more than \$5 million in bonds next fall for construction of a new high school and a new elementary school to handle an increasing student population.

Board members agreed that even if Amarillo were allowed to annex more land to the southwest of Amarillo, the move would not relieve the congested condition in Canyon's schools.

"Even if we gave the land to the Amarillo School District, we'd still have to build new

schools," Richard Pruett pointed out, with comments by Supt. Jerry Jacobs and Board President Tom Keeling concurring.

Wieck said it appears from recent discussions of the annexation issue that if Amarillo were ceded land from the Canyon district local taxpayers would be saved from constructing many more schools in the future.

And, he said it also appears that at least one Amarillo developer — Emmett Fuqua — would pay the Canyon district about \$50,000 for the land trade to Amarillo.

Jacobs noted that he and School Attorney Elton Cox were still unsure whether such a

Langen disappointed by park proposal

A disappointed Phil Langen, who headed an ad hoc committee studying park facilities in Canyon, said Tuesday a bond issue may be required to construct new parks here.

City commissioners had emphasized Monday night that if local residents want new park facilities a bond issue might be the most feasible financing route.

Langen was clearly not happy

Tuesday with the action taken Monday night by commissioners in response to his request for financial assistance for the construction of new recreation areas.

Commissioners voted during their meeting to allocate \$10,000 from their 1976-77 budget for new park facilities and also appointed Langen to chair a new committee to continue a feasibility study.

"I don't feel like we can give them anything that will make any difference," Langen said. "They need to become personally involved in it if they feel the city needs it."

Langen said he feels the \$10,000 allocation is too little.

"I don't see the \$10,000 will help us," he said. "What can you do with \$10,000? What could you buy?"

"Without a dollar com-

mittment after some period of time I don't think the committee can do anything but spin its wheels," he said.

During the Monday night commission session, Langen had asked that commissioners commit the city to a significant amount of money or at least commit themselves to a time frame when the new parks might be a top priority for city funding.

The recommendations Langen presented were worked up by an ad hoc group formed last month by the Chamber of Commerce. A similar group, appointed by city commissioners about five years ago, had recommended a park plan. That plan was never acted upon.

Langen outlined survey results from other Panhandle and New Mexico cities, results which he

said indicate Canyon is lagging behind in funding of parks. The results had been released last weekend.

Langen told commissioners it will be difficult to prepare paperwork to seek federal funding to match local available funds by Jan. 1, unless the city is willing to commit funds before that time. The study group had discussed the possibility of seeking matching funds through the Texas Parks and Wildlife Commission for a park expansion project.

"I personally do not feel we have any money left (in this year's budget) to do this," Mayor Manly Bryan said. "Next April I will be the first time the city could come up with any money."

Bryan said the city could

Canyon school board members held forth in new facilities for the first time Tuesday night. They met in the newly completed board room in the school administration building, formerly Neblett Hospital. Ad-

ministrative functions, including the superintendent's office, business manager and business office, and school-city tax office have completed the move to the new building in downtown Canyon.

Best rain since January leaves 2½ inches in area

Randall County and Canyon recorded the best rain of the year Tuesday night and early Wednesday as more than two inches of moisture fell to boost area summer crops.

Canyon had an official downpour of 2.53 inches of rain during the evening Tuesday and early morning hours Wednesday. Rains began falling in Canyon about 8 p.m. Tuesday.

Umbarger reported about 1.23 inches from the rains. Areas south of Canyon reported receiving as much as 3.50 inches of

rain. Some areas in Canyon reported as much as 2.80 inches.

So far for the year, Canyon has received 12.16 inches of moisture, but the 2½ inches received Tuesday and Wednesday was the most recorded in any one rain period.

County Agent John Brazzil said the rain came at an opportune time to aid a myriad of summer crops and to add good subsoil moisture for winter wheat planting which will begin in late August.

"We're in the hardest part of

the summer as an ordinary routine," he said, referring to the moisture need of sorghum and other summer crops. "From mid-July to mid-August is the hardest for summer crops. Corn and grain sorghum are in the stage where they're making a head and require the maximum amount of water."

Normally, he said, hot and dry weather characterizes the month period which is roughest for the summer crops.

But, with the moisture Tues-

Commission won't alter Hunsley garbage policy

Hunsley Hills residents will continue to place their garbage at curbside for city pick-up.

City commissioners stood by their original decision Monday night mandating that Hunsley Hills trash collection will continue with the garbage being deposited by the streets in the alleyless subdivision.

Ired Hunsley residents argued for an hour with commissioners about the policy established in late May requiring curbside pick-up. But, commissioners followed a recommendation of City Manager Glen Metcalf who presented a report on costs for trash collection in the development.

Prior to June 3, trash collectors for the city went onto private property in the subdivision to collect trash from outside garage doors and from backyards.

Metcalf said his study indicated the old system of trash collection in the development cost the city about 10 man-weeks of time during each year, time which could better be utilized in other areas.

He said he also determined that should commissioners decide to allow Hunsley residents to deposit their garbage for pick-up at other locations besides curbside a fee of about \$5 per month should be assessed for the extra service.

Metcalf said, however, that if commissioners allowed Hunsley residents to pay the additional fee to have their garbage picked up wherever they wished to deposit it, other areas of the city

should have the same option.

Initially, Hunsley residents during the meeting questioned Metcalf's figures, but commissioners said their concern was to study the cost situation for the entire sanitation system and that Hunsley Hills could not be isolated from the whole system.

Mayor Manly Bryan told the Hunsley residents that in addition to the cost factors involved in collecting garbage in the development, the commission was concerned about the personal liability of garbage collectors who would be required to intrude on private property should the policy be changed.

School eyes seven-cent hike

A tax increase of about seven cents will be needed to balance the Canyon School District budget for next year, school board members learned Tuesday night.

Supt. Jerry Jacobs reviewed a preliminary budget estimate which indicated that even with the seven-cent increase over the current tax rate the district will need about \$10,000 from surplus funds to balance the budget.

A final budget is to be approved in August.

Jacobs predicted that with the budget estimates available now it appears the tax rate will have to rise from the current \$1.85 per \$100 on 40 per cent valuation to \$1.92 per \$100 on 40 per cent of valuation.

As of Tuesday, he said, expenditures appeared to exceed revenues for the coming school year by about \$2000.

"We do anticipate it is a good possibility that expenditures will exceed receipts by about \$7500 to \$10,000 when we finally have a budget to present," he said.

That amount of over-run, he

said, is figured from a base tax rate of \$1.92.

Business Manager Ronnie Wood said the preliminary expenditure amount is about \$3.4 million for the operating budget and \$300,000 for the interest and sinking fund. That compares with a 1974-75 budget of \$2.9 million.

Jacobs explained to board members the impact of recent Texas legislation on school finance and said the new laws make good attendance by students a necessity to balance the budget.

"We hope as a system to educate parents and students on the importance of attendance in income to our schools," he said.

Jacobs said the tax rate for 1975-76 would have risen even higher than anticipated had legislators not included in their law a provision which stipulated that local fund assignment (figured on a complicated formula) would not rise more than 100 per cent for this school year.

Local fund assignment for

1974-75, he said, was about \$140,450. That figure this year will double to \$280,900, and will rise to \$421,350 for 1976-77.

Were it not for the clause inserted in the law to keep the local fund assignment lower, he said, the school district would have had to come up with almost \$700,000 for the local fund assignment just this year.

In other business Tuesday, board members approved a \$47,155 athletic budget for the coming school year.

The budget, presented by Athletic Director Deane Wright, calls for \$26,000 in local tax funds to go into the athletic program to offset expenditures not covered by income from gate receipts in the various sports.

The budget for 1975-76 is about \$9000 above the budget for 1974-75. It does not include figures for salaries for coaches.

The budget includes anticipated expenditures of \$17,700 for high school football for the fall with an anticipated income

Hospital room rates may be hiked, too

South Randall County Hospital District board members voted a tax increase Monday night and discussed personnel salary hikes which could raise hospital room rates later this year.

The board voted to increase taxes from 25 cents per \$100 on 51 per cent of valuation to 28 cents per \$100 on 51 per cent of valuation — a hike of three cents.

Administrator Ray Grimes said the hike in taxes should raise an additional \$14,000 — the amount needed to pay an \$800 per month subsidy to the Canyon Ambulance Service.

Grimes said the \$14,000 will pay the subsidy to the ambulance company for the remaining months of this fiscal year, which ends Sept. 30, and for the next fiscal year.

Board members tabled action until later in the summer on increasing salaries for hospital personnel.

Grimes said "we'll probably have to have a room increase to do so."

Current room rate in the hospital is \$47 per day.

A decision on salary hikes and the room rates will be made at the board's Aug. 18 meeting, he said.

Board members approved the purchase of new laboratory equipment including defibrillator, a portable device which delivers an electric shock in the case of cardiac arrests.

Bids will be sought for installation of a sprinkler system for the hospital lawn and board members decided to pursue grant funding for radio equipment for constant contact with ambulance attendants and other area hospitals.

The board also approved installation of sidewalks and benches

County taxes fluctuate

Randall County commissioners, who Friday had raised taxes 50 per cent, turned around Monday and lowered them a smidgen.

They also discussed the possibility of hiring someone to oversee the fiscal and budgetary aspect of the county's business.

"A 50 per cent jump is just too much in one year," Commissioner Paul Lindsey told Commissioners Jim Fletcher, and Dee Griffin and Judge Woody Pond as discussion opened on the tax hike voted Friday.

But, Griffin protested that with an 18 per cent over-run anticipated from the 1975 county budget, coupled with 6 per cent pay raises anticipated for 1976 and an inflationary figure for cushion in the 1976 budget, a tax rate similar to the one passed Friday was a necessity.

During a 7½-hour session Friday, commissioners had voted to keep the county tax rate at \$1.05 per \$100 on 25 per cent of valuation. Two weeks before, they had voted to increase the

ratio of assessment from 17 per cent to the 25 per cent level.

Then, Monday after lengthy discussion, commissioners decided to retain the 25 per cent ratio, but lowered the tax rate from \$1.05 to 95 cents per \$100 valuation.

The effect of the commissioners' actions on the tax rate for 1976 is to hand taxpayers a net increase in taxes for the coming year.

Under the 1975 tax formula (\$1.05 per \$100 on 17 per cent of valuation), a \$25,000 house should have been taxed at \$44.63.

Under the formula approved Friday (\$1.05 per \$100 on 25 per cent of valuation), a \$25,000 house would have been taxed at \$59.38.

Under the formula now in effect for 1976 (95 cents per \$100 on 25 per cent of valuation), a \$25,000 house will be taxed at \$59.38.

Lindsey contended during Monday's session, the taxes should be lowered from the 50 per cent increase figure okayed Friday and said any increase

needed for operations or for salary hikes should come from a tightening of the county budget belt in other areas.

Griffin contended, on the other hand, that the tax rate could not be lowered below the 90 to 95 cent rate in order for the county to break even on anticipated expenditures for the coming fiscal year.

Lindsey agreed the 95 cent rate would be more realistic.

"We're hitting the general public an awful hard lick," he said. "It would be difficult for a lot of people to pay it. A 50 per cent jump is pretty hard to justify it seems to me."

Judge Pond said it appears a 95-cent rate would be adequate to cover anticipated expenditures for 1976.

During their discussion of the budget, commissioners also discussed the need to have someone within the county to oversee the budget and ensure the county department heads are living within the budget guidelines.

Lindsey stressed that the budget should be used as a

Graduate Course Involves Motor Skills

Jumping, hopping, and skipping are what most youngsters consider "just having fun" and that is the way 15-20 local city youngsters look at what they are doing.

The youngsters, between the ages of 3-9 years old, are involved in a workshop being conducted by the Health and Physical Education Department at West Texas State University.

The boys and girls are volunteer athletic students participating in a graduate class workshop studying the progress of students on perceptual motor ability.

Visual coordination, agility, balance and various motor skills are included in the two week observation program which involves an hour of workouts each morning through next week.

26 Area Judges Due For Seminar Friday

Twenty-six Panhandle area county judges are to be in Canyon Friday for a County Judges' Seminar hosted by the Panhandle County Judges and Commissioners Association.

Randall County Judge Woody Pond said all but two of the judges from Panhandle counties will attend the day-long seminar on the West Texas State University campus.

Pond will open the seminar at 9 a.m. Friday and Dr. Lloyd I. Watkins, president of WTSU, will welcome the visitors.

Randall Sherrod, district attorney for Randall County, will present a program at 9:15 a.m. on "Criminal Proceedings Covering All Phases of Criminal Trials for County Court."

Amarillo Attorney Don Reavis will speak at 10:30 a.m. on "Civil Proceedings Covering All Phases of Civil Trials in County Court."

Kenneth A. "Buck" Douglas,

executive director of the Texas Association of Counties, will speak at 12:30 p.m. on "Discussion of Workmen's Compensation Insurance for County Employees."

Attorney Jerry Kolander of Amarillo will speak at 1:15 p.m. on "Probate of Wills and Administration of Estates and Guardianship."

Assistant Dist. Atty. Rick Wilcox of Randall County will speak at 2:15 p.m. on "Mental and Alcoholism Commitments."

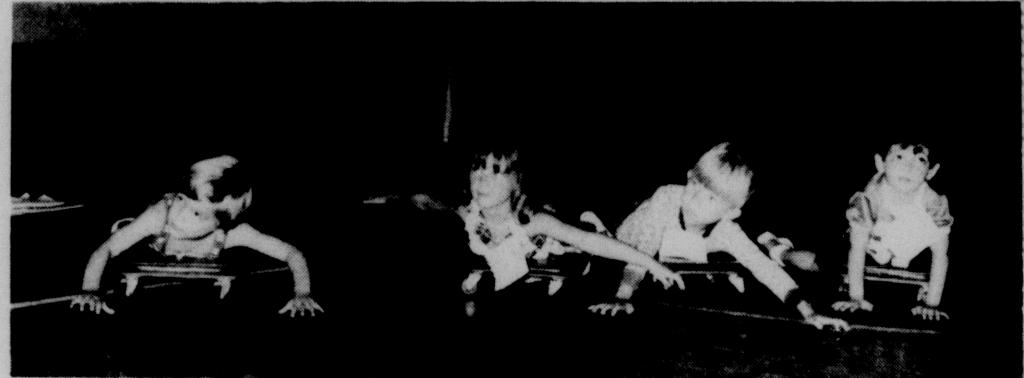

Dallam County Judge W.D. Henson will speak at 3:15 p.m. on the "Duties of the County Judge."

A panel discussion will conclude the conference beginning at 4 p.m. Participants in the panel will be Dist. Judge George Dowlen, Former Dist. Judge E.E. Jordan, Henson, Sherrod, Kolander, Gray County Judge Don Cain, and Potter County Judge Branch T. Archer.

SELLINDA HENRY, graduate student, observes Sherry Holbrooks' passing technique with a basketball as other students, Leslie

Football Staff Completed

The Canyon High School coaching staff was recently completed with the addition of James Ray Hyatt.

Hyatt will take over the duties of varsity assistant in charge of both the offensive and defensive backfields.

A graduate of Texas Tech, Hyatt began his coaching career at his home town of Olton. After coaching two years at the junior high there, he went to Hale Center for a year as girl's basketball coach and junior varsity

football coach.

The next two years were spent as a varsity assistant in football, basketball and track at Lockney. From Lockney, Hyatt moved to Bonham Junior High in Amarillo for four years where he headed the football and track programs.

For the past three years, Hyatt has been a varsity assistant at Tascosa High School in Amarillo.

The new coach, along with his wife Sandra and two boys, Ryan, 6, and Matt, 1, live at Harvest Acres, between Canyon and Amarillo.

Bicentennial Ball Planned Here

Preparations are now being made for a Bicentennial Ball October 25 in the Panhandle-Plains Historical Museum's main building.

Sponsoring organizations are the West Texas State University Advisory Council for Campus Enhancement, Mrs. Lloyd I. Watkins, honorary chairman; the Panhandle-Plains Historical Museum, Dr. James Hanson, director; and the Randall County-Canyon Bicentennial Committee; Dr. Duane Guy, chairman.

"The museum setting for the ball will reflect the American spirit of freedom and pioneering that developed the Texas Panhandle and made it a great part of Texas and the United

States," said Mrs. Frank Daugherty, who joins Mrs. Charles Smallwood as co-chairmen.

Historical costumes will be optional at the 8 p.m. affair, with dance music being provided by WTSU music professor Dave Ritter and his combo and entertainment by the WTSU Readers Theatre group and others.

The price for the tickets has not been set, but they will be available after October 1. More information can be obtained from Mrs. Lloyd I. Watkins or Mrs. Frank Daugherty in Canyon.

CHS Football Players To Face Tough Season

By BEELEE GOODWIN

The 1975 Canyon High School football squad will soon be on the practice field preparing for what looks to be a tough season to say the least.

New head coach and athletic director Deane Wright will build this year's team around 17 lettermen out of which four offensive starters and ten defensive starters are returning.

"Defensively, we're in good shape. We have almost the same group starting that ended the season last year," Wright said.

The offensive attack is another situation, he said.

"Offensively we are hurting. At both the quarterback and fullback positions we are very inexperienced," the head mentor said.

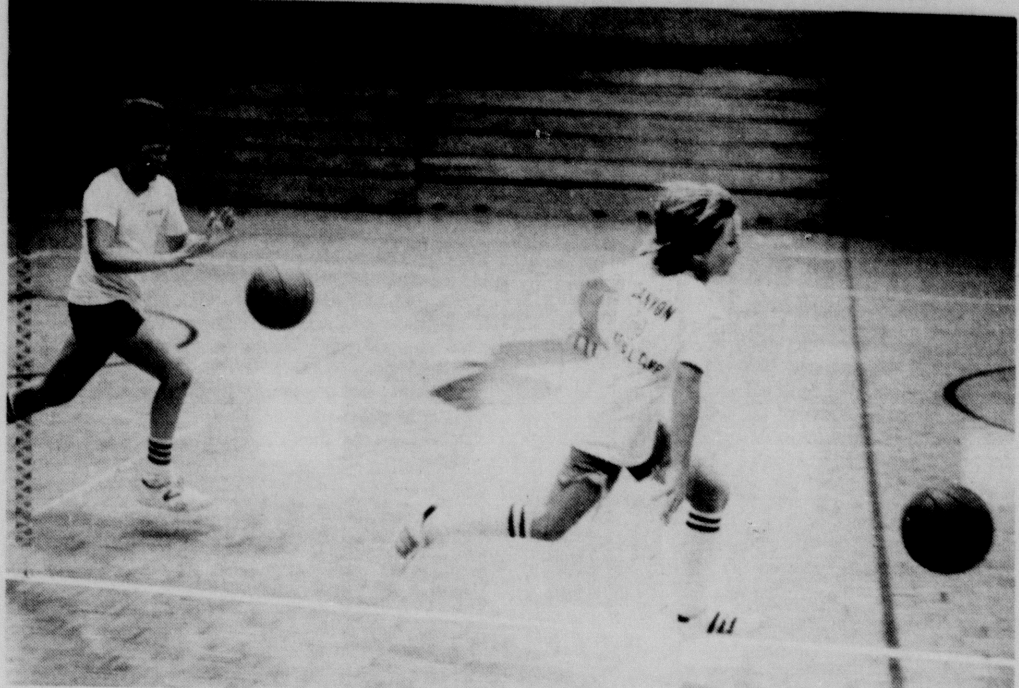

The four offensive starters who will return from last year's district championship team are Craig Johnson, Bob Lindsey, Lyndon Brazile and Drew Hetzler.

The defensive starters returning are Kenny Bassinger, Brad Bowers, Charles Schauman, Bob Lee, Elliot Berry, Ronnie Howell, Wayne Robinson, Joe Laquette, Alan Shankles and David Coronado.

According to one pre-season poll, the Eagles are tabbed as the team to beat in 1-A-A-A.

But, as last year, the Eagles will have their hands full before conference play begins.

The season opener is against Lubbock Monterrey on their

Tracksters Qualify For TAAF

The Canyon Track Club travelled to Lubbock Saturday and participated in the Texas Amateur Athletic Federation Regional Track Meet.

Twenty-two local athletes qualified for the upcoming TAAF state track meet to be held Friday and Saturday in Grand Prairie.

First, second and third place finishes at Lubbock qualified for the state meet.

In the girl's midget division, Penny Christopher took first place in both the 100 and the 50-yard dash. In the same division, Meg Reeves ran on the first place 440-yard relay team.

Rick Tankersley, in the boy's midget division, won first in the high jump. Joe Doss placed third in the 100-yard dash, fifth in the 50-yard dash and sixth in the high jump competition.

In the junior boy's division, Jeff McKay finished first in the 100-yard dash, second in the 120-yard low hurdles and first in the high jump. Bruce Byrd qualified for the state meet with a second place finish in the shot put. He also placed seventh in the 100-yard dash and fourth in the 220-yard dash.

Gary Fletcher took third place honors in the 120-yard low hurdles and placed second in the 880-yard run. Eddy Clement took two second place ribbons with his efforts in the long jump and the 120-yard low hurdles. Ken Johnson placed third in the shot put and teamed up with McKay, Byrd and Clement to place third in 440-yard relay.

Traca Cooper, in the girl's junior division, won first in the high jump and sixth in the 100-yard dash. April Howard placed fifth in the 220-yard dash.

In the boy's intermediate division, David McKay won the 100-yard dash, placed second in the 120-yard low hurdles and finished third in the 220-yard dash. Robert Dustman was first

LEGAL NOTICES

STATE OF TEXAS
TO JOHN DAVID GREEN,
GREETING:
"You are hereby commanded to appear and answer before the Honorable District Court, 181st Judicial District, Randall County, Texas, at the Courthouse of said County in Canyon, Texas, at or before 10:00 o'clock a.m. of the Monday next after the expiration of twenty days from the date of service of this citation, then and there to answer Petition of Teresa Anne Dorsey, Petitioner, filed in said Court on June 18, 1975, against John David Green, Respondent, and said suit being No. 14,701-B on the docket of said Court, and entitled 'In the Interest of Lisa Michelle Green, a child,' the nature of which suit is a request to terminate the parent-child relationship existing between David John Green, parent, and Lisa Michelle Green, child. Said child, Lisa Michelle Green, was born on the 15th day of December, 1969, in Lubbock County, Texas."

"The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption."

"Issued and given under my hand and seal of said Court at Canyon, Texas, this the 18th day of July, 1975."

TEXAS TALK
By Tom Lytle

The "Third World" may be the ultimate market for American wheat. In the broadest sense, the third world comprises more than 90 nations mostly in Asia, Africa and South America. Most of them are underdeveloped and have an increasing appetite for bread. Number one advocate of the market is Kansas State University's chief of grain science and industry, Dr. Bill Hoover. Hoover predicts that the potential for rapid development of these markets is extremely high. Touting bread as the number one convenience food, he points to the kind of wheat demand there could be if per capita consumption of bread in these nations begins to equal the average in the United States. Hoover says the possibility of rapid escalation of consumption exists because in many of these countries the decision on primary food supply is made by the government. Offices designed to foster this type promotion are already in operation.

R PRE-NATAL CARE IS IMPORTANT

When a woman knows she is to become a Mother, she should immediately consult a physician. His examination includes a study of her blood and its pressure, a urinalysis for disclosing possible kidney inflammation or diabetes, and a physical examination to insure a safe birth.

He will advise the proper diet and prescribe the necessary vitamins and minerals which helps both Mother and the coming baby. We welcome prospective mothers and appreciate the opportunity to serve.

Legislators Pass Law On Fees
Texas legislators, faced with more than 1500 pieces of legislation last spring, couldn't be expected to think of everything.

One thing they didn't think of came to the attention of Justice of the Peace W.A. "Bill" Wilson this week.

Wilson says legislators passed a law setting new fees of office for the sheriff, fees he is to charge for serving civil and criminal papers and subpoenas.

Of specific concern to Wilson is a part of the law which requires the sheriff to charge \$4 (under the old law it was \$2) to serve papers in small claims court.

But, Wilson says, legislators forgot to pass a corresponding law allowing him to charge to those who file suits in small claims court an additional \$2 to make up for the increase in fees.

Wilson said under current law he may charge a petitioner only \$5 in a small claims case — \$3 court costs and \$2 for the sheriff's fee.

School Officials Not Worried About Federal Sex Ruling

Controversial federal regulations on sex discrimination in public schools went into effect Monday, but local school officials are not concerned with the impact of the rules here.

Supt. Jerry Jacobs said he has neither studied the so-called Title IX regulations nor been particularly concerned about the regulations and their effect on the local schools.

"From what I hear others say, we're in good shape," he said. "We do basically the same thing all the way up in our physical education programs."

Jacobs said he believes the local school district "would be in compliance with the intent of Title IX."

The regulations prohibit sexually segregated physical education classes generally, but allow segregation for sports involving bodily contact, according to U.S. Rep. Jack Hightower.

He said opportunities to become involved in sports involving competitive skill or bodily contact may be provided through separate teams for males and females.

An institution may not discriminate on the basis of sex in providing necessary equipment or supplies, but equal expenditures are not required, he said.

According to Hightower, the elementary schools have one year to comply with the regulations while secondary and post-secondary schools have three years.

these people who work for the city," he said, noting that individuals could be personally liable for actions taken on private property. "I don't think we can ask employees to have to carry a personal liability policy."

After several minutes of verbal exchange, Commissioner Jim Christopher called for some agreement on the situation.

"Can't we talk about something in the realm of coming to a solution?" he asked. Christopher suggested the Hunsley residents invest individually in submerged garbage receptacles to be placed at the sidewalk edge in front of their homes. Only the tops of the containers, he said, would be visible above ground.

Hunsley Developer A.W. Lair termed the Christopher proposal a fair one, but other residents claimed the submerged receptacles would lead to complications.

"Do we want a motion to back up from our policy set in May?" asked Commissioner J. Pat Stephens.

No motion was forthcoming but more discussion led to a later repetition of the same question.

"I ask for a motion to rescind," Bryan said. But, no motion followed.

"It stands as it is," he said. "But, this doesn't end it if you don't want it to end. You have the right to petition to call for a vote on any resolution. But, get the ordinance and read it because it specifies a step-by-step procedure to be followed."

In other business Monday night, commissioners refused for a second time to pay half the costs of extending a 12-inch waterline under U.S. 60 for use in Hunsley Hills.

Developer Lair presented fact sheets on taxes and water and sewer fees to be collected by the city from taxpayers in the addition and told commissioners it would be good business to invest the \$11,000 required to pay half the extension cost for the long run return through taxes and fees.

Lair said he was reintroducing his request for city participation "as a matter of principle."

But, he said, the city has an obligation to provide adequate fire protection to Hunsley Hills, service not available until the 12-inch line is extended to the area.

Commissioner Fulton moved that the city rescind its previous motion refusing to participate in the cost, but the motion was defeated with Commissioners J. Pat Stephens, Jim Christopher and Willis Harrison voting against. Bryan and Fulton voted for a rescission.

Commissioners tabled action on allowing Santa Fe Railway a 70 miles per hour speed limit through Canyon.

Officials told commissioners the current speed limit is 55 through town, and that speed does not allow them to meet schedules.

Commissioners approved the seeking of bids for purchase of about \$60,000 in new furnishings for the civic center complex now under construction.

Bids will be opened in August. They also hired the Amarillo law firm of Perdue, Brandon and Blair for the collection of delinquent taxes.

of \$15,000.

High school basketball is budgeted to spend \$4700 with income projected at \$1900. Girls basketball in high school is allocated \$5700 with income projected at \$1900.

A major increase in funding is anticipated in the budget for 9th grade football. Wright told board members the expenditures are doubled for junior high football to provide new helmets and shoulder pads for 9th grade football.

Board members reviewed the operation of the various cafeterias during the last school year. Wood reported revenue of \$224,366 and expenditures of \$223,658 for a surplus of \$708 in the account as the new year begins.

He noted that elementary school cafeterias make more than is spent and their income offsets losses in high school and junior high cafeteria operations.

Jacobs announced that a dinner meeting of various citizens committees formed recently by the board to study the need for new schools and the need for financing of construction will be at 7:30 p.m. Aug. 12 at the junior high cafeteria.

"This is making a big dent in the critical time," he said.

Brazill said the rains will also give a good start to the 1976 wheat crop, planting for which begins in late August.

payment could be legally accepted by the school district.

He also said contrary to popular belief it might well be possible for the new housing constructed in southwest Amarillo subdivisions to support through tax revenue the concurrent construction of any new schools needed.

He said businesses and other related enterprises could be expected to be developed along with additional houses and that it is very likely tax money generated by new subdivisions would be enough to cover new school construction costs.

The board agreed that a committee composed of Keeling, Pruett, Wieck and Jacobs will contact the Amarillo school board to set up a meeting to discuss the problem.

A picnic in the park or supper in the backyard can make the summer a time to remember, but prepare and serve the food safely to be sure the memory is a pleasant one.

Food poisoning bacteria thrive in temperatures between 50-120 degrees F. So consumers can start right from the grocery store to make the food safe for picnic or barbecue.

Buy ground beef a day or two before the holiday unless it can be frozen for a longer time. Shop in a store that displays meat and poultry in a clean refrigerated area. Avoid packages that have been broken or have punctured wrappers.

Thaw frozen meat in the refrigerator to prevent bacterial growth. Don't allow this meat to stand out unrefrigerated for more than an hour at the most.

And be sure to cook hamburgers and hot dogs in batches small enough to be used quickly so they don't stand, allowing bacteria to grow.

Also, cleanliness in preparing food is always important — but especially with hamburgers. Always wash hands thoroughly with soap and hot water before and after handling raw meat.

Baked beans is another dish that shouldn't be kept at room temperature for more than two hours.

Bacteria grow well in eggs at room temperature. Leave boiled eggs out of potato salad unless it is refrigerated until serving time. Make potato salad with eggs the same day it is to be served.

Turning to exact directions for avoiding food-borne illness. Keep perishable foods cold, at or below 40 degrees F. Foods in this category are cream pies, seafood and dishes made with eggs, fish, meat and poultry.

Or keep the perishable foods, such as seafood, poultry and cooked meats, hot — about 140 degrees F. Bacteria grow best in lukewarm foods so never let these foods stand at room temperature for more than two hours.

Often foodborne illness is mistaken for a simple "bug" or virus. The real cause may be that the food wasn't properly handled, prepared or served. This can be prevented by serving hot foods hot and cold foods cold.

Woman Officer Resigns

Canyon's first woman police officer resigned Tuesday afternoon after assuming patrol duties April 1.

Lana Grogan, 24, turned in her badge and equipment to the surprise of Chief Al Stewart. Miss Grogan gave no particular reason for her resignation.

allocate a certain amount of money each year or it might allocate a large amount for one year, an action which would increase taxes.

Or, he said, the city might call for a bond issue to finance the construction.

Commissioner Jim Christopher suggested that the city faces other priority capital outlays for new water wells and landfill replacement.

"With inflation it might be better to have a bond issue," Commissioner Willis Harrison suggested.

"Have you thrown out a bond issue?" Commissioner H.R. Fulton asked.

"I think the people involved in the committee would not oppose a bond issue, but they're not representative," Langen said. "I personally feel if we're not paying enough taxes to have these facilities then we should pay more. I feel like reasonable increases to provide the facilities we want would be reasonable."

Bryan said it might be possible to pass a bond issue for construction of new park facilities without having to assess more taxes to retire the bonds.

Commissioners named Langen chairman of the ad hoc committee formed Monday night and told him to choose his own committee members. The committee is to study the parks situation and make a recommendation to the commission.

Bryan said the committee should examine available sites, talk to Canyon School District officials about monetary participation in maintenance, explore the possibility of Randall County participation, and study the possibility of a bond issue.

He also instructed City Manager Glen Metcalf to begin work on a formal ordinance forming a parks and recreation board.

Yearbook Photograph Time Set

Pictures of members of the 1975-76 sophomore class at Canyon High School will be made for the school yearbook at Britain Studio July 28-Aug. 2.

A \$2 fee is to be paid at the time of the sitting.

Junior pictures will be taken Aug. 4 through Aug. 9 at the studio.

Boys are to wear coats and ties and hair styles are to meet school dress code requirements. Girls are to wear dress-up type dresses, but should not wear solid white color dresses.

Studio hours are 8:30 a.m. to 5:30 p.m. weekdays and 8:30 a.m. to noon on Saturdays.

guideline figure with a control person in the county to make sure departments do not overspend.

"That'd show some indication that we are going to try to watch our expenditures," he said.

Earlier in the meeting, Bill Francis of the Amarillo accounting firm of Doshier, Pickens and Francis, made the initial suggestion that Auditor Betty Hodges be relieved of her bookkeeping functions to spend more time with internal auditing duties for the county.

Francis said Mrs. Hodges has been acting for a number of years as the county bookkeeper only and has not been able — due to time involved — to act as a true county auditor. He said she should begin functioning as a county auditor with another person hired to oversee the bookkeeping.

"What does the treasurer do?" asked Griffin, referring to Bob McClendon, who has been in a running tiff with commissioners since taking office in January.

"He does the payroll," Francis answered.

"How much work?" asked Fletcher.

"That's not even a week's work," Mrs. Hodges replied. "They take care of the banking and credit deductions."

Rather than acting on Francis' recommendation, commissioners decided to wait a week.

Commissioners approved their 1974 audit report and discussed only briefly changing the county fiscal year from the calendar year to a year beginning Oct. 1. No decision was made on the change.

All Around The House

looks are seen more than any other look for spring.

A slimmer look will come from coats that look like shirt dresses. Details range from zip-up front closings to full sleeves gathered into cuffs at the wrist. Drooped shoulder lines and yokes add interest, too.

Diet Canning

Home canning operations don't have to fold when salt-free or sugar-free diets enter the picture.

Sugar and salt used in regular home canning are primarily for flavor.

They don't affect the keeping quality of food.

To can without sugar, use fully ripe — but not soft-ripe — fruit.

Prepare fruit as you would for regular canning. Then add a little water and cook fruit until it's boiling hot. Pack hot into hot canning jars.

If needed, add boiling water to cover. Adjust caps, and process in a water bath canner, following recommended time for fruit being canned.

Don't add artificial sweeteners to fruit before it's canned. Sweeteners should be added to fruit when it's ready to eat.

To can vegetables or meat without salt, just process as usual, leaving out salt.

In canning special foods for just one member of the family, half-pint or pint jars may be the best size to use.

Once open, a jar of home-canned food will keep in the refrigerator for two or three days, depending on the type of food and refrigerator temperature.

Happy News

Tri-State Rodeo Event Planned

By MARY NEAL HENRY
THE FIRST TRI-STATE High School Rodeo of the season will be held this week-end in Happy. Performances began on Friday and Saturday evening at 8:00 and Sunday afternoon at 2. Buckles will be given the top three contestants of each event and saddles to the All-Round Girl and the All-Round Boy. These saddles are on display at the First State Bank in Happy. Team trophies, sportsmanship and hard luck awards will also be determined.

Tri-State includes only high school girls and boys. They always put on good entertainment. Come out and enjoy the rodeos.

A Sunday afternoon performance was scheduled because of the conflict with the State 4-H Horse Show in Fort Worth. Many of the contestants will be in Fort Worth for the week-end and would only be able to participate in the Tri-State on Sunday afternoon. That performance was scheduled to comply with numerous requests.

HAPPY TRI-STATE RODEO Club held a meeting on Monday evening and finalized plans for the rodeo this week-end. They also had a cleanup campaign and did those kids work! They mowed weeds and hoed the fence line and under and in front of the grandstand. They picked up trash, and picked up trash and picked up trash! In your efforts to keep America beautiful, will you please include the Happy Rodeo Arena this week-end?

A picnic supper was held, sandwiches and homemade ice cream, brownies and spudnuts. Then everyone sat down to be sure that all jobs were taken care of. Most there ended up with at least half dozen responsibilities — some even more.

Families attending the meeting included the Pearsons, Starkeys, Tipps, Vias, McDonalds, Odums, Bowman, Parker, Eddie-man, Byrds, Dietz, and Henrys.

HAPPY RECEIVED A good rain Tuesday afternoon which only reached about two miles east of town. Surrounding areas of Happy received showers during the day. We were under the rain cloud that drenched Tulia Saturday afternoon during the parade—barely in the edge.

We are wet and our neighbors are plowing. (Truth is many times stranger than fiction).

Tuesday night, the rains seemed general. Barrow ditches even had water standing in them. Measurements varied. We

received an inch plus forty-hundredths.

THE HOLY NAME Parish of Happy will hold their annual bazaar on Aug. 3rd in the Parish Hall. Dinner will be served from 11:30 until 2 p.m.

The menu will consist of barbecue beef, mashed potatoes, gravy, baked beans, green beans, jello salad, tossed salad, relish plate, homemade bread and butter, chocolate cake, tea and coffee. Dinner will cost \$2.50 for adults and \$1.25 for children six through 12 years of age. Preschool children are free.

There will be a country store, fish pond, cold drinks and games for all throughout the afternoon.

Everyone is cordially invited to attend. Mrs. John J. Irlbeck is publicity chairman of the event.

SHERMAN COX, 60, a long-time resident of Happy, died July 15, 1975. Sherman had farmed, ranched, operated a welding shop, loved to rope and participated in many ropings and been a friend to countless people. He had a ready smile and a gift of gab. And always had time to visit. Sherman had a warm, sincere personality.

The beginning of the Muscular Dystrophy Drive can be attributed to Sherman. He sold his roping horse for the first Muscular Dystrophy Drive. That horse was sold again and again and the money donated to Muscular Dystrophy.

Now that may not seem significant to many of you. But to a roper his roping horse is a partner, not only a valuable animal, but a friend. That roping horse is a trusted friend. Something depended on in emergencies as well as contests. Only the love of one's family surpasses the love of a roping horse. . . . and Sherman had a son with Muscular Dystrophy. Glen preceded his Dad in death in December of 1965.

Sherman was a member of the Baptist Church. Funeral services were held in the First Baptist Church and conducted by Rev. Roland Moore of Vigo Park. Roland and Sherman grew up together and had been lifetime friends. Burial was in the Happy Cemetery.

Sherman is survived by his wife, Dorine; two sons, Jimmie of Happy and Benny of Harlingen; one sister, Annie Lemmons of Happy and four brothers, Tom, Keith and Frank of Happy, and H.L. (Chic) of Pecos; and three grandchildren.

Honorary pallbearers included Bob Izzard, Orlie Rusk and George Edmonds. Pallbearers were Wendell Sims II, Tom Henry, Hoyle Shipman, Tom Wilhelm of Happy and John Orlie Rusk and Bill Purcell of New Mexico.

ELI S. HANCOCK, JR., 72, died July 13 at Highland General Hospital in Pampa. Graveside services were conducted in Dreamland Cemetery on Tuesday of last week.

Mr. Hancock was a brother of Carol (Hap) Hancock of Happy. He was also survived by two daughters, another brother, George, of Pampa; one sister and two grandchildren.

MRS. KEITH MORRIS (Cheryl Schaeffer) was honored with a baby shower Saturday in the home of Mrs. Jerral Mayes. Other hostesses were Delores and Tracey Allen, Sandy DuBois, Charlotte O'Daniel, Grace Oehrlin, Mildred Devin, and Jo Ellen Harvey.

After gifts were opened punch and cookies were served to guests from Amarillo, Tulia, Borger, Dumas, Stratford, Happy and Clelia Parker from Ely, Nev. The hostess gift was a high chair.

COLEEN AND MELVIN Schaeffer had Sunday guests, Cheryl and Keith Morris, Milton and Vicky Schaeffer and Trisha; Faye and Jo Hand and Tom Rogers.

LeRoy and Jo Ann Morris of Dumas visited in the Melvin Schaeffer home last Friday.

SUSAN AND LLOYD Rahlfs and their Lloyd; Judy and Gene Shipman and their Kappe and Mandy; and Don Ed and Jimmie Middleton and their Cathy and Max vacationed this week at the Cheyenne rodeo. They stopped for a few days in Estes Park on the way up.

ROBERTA COX SPENT a few weeks in Fort Bragg, Calif. with her daughter and family, Ruth Alice and Billy Kay Odom and their children. The granddaughter, Connie, returned home with Roberta for a visit. Connie is 16 and a senior in high school this fall. She also has a summer job (or it may be a part-time year-round job).

J. T. HENRY won second place in the bareback riding and third in the bull riding in the Tulia Rodeo last week-end.

EDDIE JOE PEARSON and his parents, Wayne and Billie, are in Fort Worth attending the State 4-H Horse Show. Eddie represents Swisher County in the show.

MR. AND MRS. J.L. Oler and their grandsons, Jay and Donnie, recently spent 10 days in Beeville with the Thurmon Olers. They brought 45 pounds of dressed fish home with them and pictures to prove the "fish" stories. One catfish weighed 22 pounds.

THE RATJEN FAMILY had a reunion on Sunday in the Clyde Hancock home. About 45 relatives attended. Those included Dora Ratjen, Clyde and June and their Mary Lou, Betty and Bob Wheelchel and their Bob Ann and Greg and Jeffery, Dick and Phyllis Ratjen, Linda and Bob McDonald and their David and Ronnie and a guest from Pennsylvania, Joan and Reed McDonald and their family, Jack and Jan Ratjen and their family from Mansfield, Mrs. Lyt Singleton and Mrs. Jack Brown of Lubbock, Jean and R.A. Partlow and family of Lubbock, Mr. and Mrs. Bob Ratjen and Mr. and Mrs. Bill Daniel and family of Floydada, Amos and Jettie Ratjen of Tulia, Mr. and Mrs. Elwood Conoley and Nelda Dean and Donna of Amarillo, and Tim Kirk, a nephew of Phyllis Ratjen from Friona.

Monday evening the Ratjen families and Ruth and Alden Mann picnicked in Palo Duro and attended "TEXAS" to celebrate Jack Ratjen's birthday.

PAM TATUM is vacationing in Hawaii with her grandparents from Friona.

ANNA MAE McMANIGAL and grandson John Rowell traveled to California to return with Anne McManigal for her summer vacation at "home."

PEGGY AND DOUG Bell and their Dennis, Danny, and Wade attended a family reunion at Sherman and Lake Texhoma last week-end.

DEBBIE AND JOHN Moroney have returned to Oklahoma to make their home. We enjoyed them in our community.

MRS. LILLIE WESLEY had all five of her sons home for a reunion on Sunday in her home.

About 30 relatives were there including Charles Wesley, Mr. and Mrs. Wayne Wesley and Darrel Wesley of Levelland, Mrs. Clinton Craddock and Chad of Levelland, Mr. and Mrs. Delbert Wesley and Mike and Kathy of Tulia, Mr. and Mrs. Wiley James and Del Ray of Canyon, Neal James and a friend, also from Canyon, Mr. and Mrs. Jerry Dushman and Paula of Amarillo, Mr. and Mrs. Kenton Wesley and Carry and Mack, James, Wendy, and Jodie of Aurora, Colo., Mr. and Mrs. Ken Wesley and Pamela and Scott of Morton, and Mr. and Mrs. Ricky Wesley of Amarillo.

WINNIE TACKITT of Pampa and Betty Jo Crumm of Weatherford visited in the Larry Tackitt home this week. They have just returned from a trip to California.

BARRY STEVENS, MARK Tackitt and Bill Cope attended the Baptist camp at Floydada recently.

OPAL AND A.J. McCarley and their Debbie and Jay Horace have been vacationing in Arkansas.

JOYCE AND DICK Railsback and their family have been vacationing in Rockaway Beach, Mo.

SWISHER COUNTY 4-H Riding Club won first place trophy in the Junior Riding Club Division of the Swisher County parade.

Happy CowBelles won first place with their float, "Beef Won the West," in the Swisher County parade. It did get wet and so did those Happy CowBelles. They came out laughing.

ANNIE REED REMAINS in Northwest Texas Hospital. She had a bout with pneumonia since breaking her arm and hip and continues to take some oxygen and IV solutions.

KEY CHARMS AND JONES BOYS: Word was received this week that Frederick Herrin of Austin, husband of our Past Grand Matron, Frances Key Herrin, suffered a severe heart attack. The 1975 Round-up in Galveston has been cancelled. Please cancel your personal reservations to attend that round-up.

WILLIE AND JOHN Butler and I traveled to Denver, Colo., to attend the Mid-year meeting of American National CowBelles. Ten Texas CowBelles were among the 147 registered for the meeting.

Others were Frances Owen, Texas President; Ruth Ball, Texas Beef For Father's Day Chairman; Violet Bell, Membership Chairman; Emma Lee Collier and Jodey Parkey, President and Vice President respectively, of Wichita Falls area; Randy Haggood, Area Coordinator; Melba Howard, President of Haskell; Mary Darnell, President of Terra Cotta CowBelles. Willie Butler serves on the National Radio and TV Committee.

Business of the convention included the adoption of a CowBelle Creed, reports of various committees, plans to organize both the states of Maryland and Pennsylvania during the month of August, and final plans for the National Beef Cook-off to be held in Denver on Sept. 27. Thirty-one state winners will compete for \$1700 in prize money. American Agriculture Day last March proved successful. CowBelles proved that "Almost Everything Begins on a Farm" in many and varied ways. Chairman Ann Woolley of Oklahoma had a booklet of news clippings compiled for her report.

THE 1976 NATIONAL Convention of American National Cattlemen and American National CowBelles will be in Phoenix, Ariz., Jan. 26-30. The theme will be "A Past to Honor—A Future to Build." The convention will begin by honoring the history of the cattlemen. Meetings will be held in the Phoenix Center Plaza. Headquarters hotel will be the Adams Hotel which joins the plaza. Monday and Tuesday will be executive and other committee meetings. The convention will actually begin on Wednesday.

The Beef Development Task Force is a big issue. I'll tell you about that sometime.

See ya!

Square Dancers

Have Meet Here

Canyon Capers Square Dance Club met Monday evening at the Bull Barn in Canyon from 8:10-30 p.m. with three squares dancing to the calling of Knox Day and a tip called by Randy Costley.

Club visitors Monday evening were Jim and Ladell Bradshaw and Margaret and Joe Colantonio from the Khiva Squares and Jim and Carolina and Jamie Kuscht from the Hi Plains Promenaders of Amarillo.

A needlepoint and embroidery picture was presented in a door prize drawing with the winner being Bob Costley.

R. Martinez

No-Billed

Raymond Alvarado Martinez of Hereford was no-billed Monday by Randall County grand jurors. He had been charged with involuntary manslaughter.

Martinez had been charged a week earlier in connection with the traffic death of Juan Perez Gonzales Jr., 33, of Hereford. Martinez, 30, was driver of a vehicle involved in a one-car accident just north of Canyon on U.S. 87 July 13.

Grand jurors returned indictments against three persons including Cindy Gail Peterson, on a charge of burglary of a habitation; Jesse Ernest Samora, on a charge of burglary of a motor vehicle; and Jan Smith, on a charge of theft over \$200 and under \$10,000.

Two Clovis, N.M., men remained in Northwest Texas Hospital this week after suffering injuries in a semitrailer crash on U.S. 80 above U.S. 87 in north Canyon early Sunday morning. Bobby Thurman, 46, was injured seriously in the accident and Buck

Gordon, 37, was in satisfactory condition. The truck went off an overpass on U.S. 80 and landed on U.S. 87 below. Officers said a load of swinging beef in the trailer apparently shifted causing the driver to lose control.

Family Reunion Held By Sisters

A family reunion involving four sisters and their families was held Sunday, July 20, at Thompson Park in Amarillo with yard games and a visit to the park zoo following the picnic.

The four sisters involved were Mr. and Mrs. Taft Reynolds of Tulia, Mr. and Mrs. E.E. Miller of Canyon, Mr. and Mrs. Jack Brown, north of Amarillo, and Mr. and Mrs. Wayne Wilcox.

Nieces and nephews of the families attending were Mr. and

Mrs. Jim Reynolds and family of Tulia, Mr. and Mrs. Jack Collier and daughters of Wildorado, Mr. and Mrs. Jerry Reynolds and family of Tulia, Willa Dean Cox and son, Bob, of Fort Worth, Mr.

and Mrs. Wylie Hannah and family of Tulia with his relatives, Ruth and Laurie Schumann, Mrs. Lois Neeley of Amarillo, and Mr. and Mrs. Lee Wilcox and son from Amarillo.

Women Return From Utah Trip

Ovel Gray and her sister-in-law, Mildred Seales, both of Canyon, have returned from a two week trip to points in Utah where they were accompanied by Mrs. Seales' grandson, Russell Osborne of Perryton.

Mrs. Gray visited with her son, Weldon, and family at Provo, Utah and Mrs. Seales also visited

with her son, Robert, and family in Salt Lake City, Utah.

The group returned to Canyon this past weekend and had Eloise Osborne and daughter, Brenda, from Perryton here to pick up Russell after the trip. Also visiting in Mrs. Gray's home since the trip was another nephew, Charles Osborne of Garland, Tex.

Two Students

Earn Top Rank

Two Canyon students have earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

"Distinguished Student" ranking is limited to 10 per cent of TAMU's undergraduate enrollment.

Canyon "Distinguished Students" are Dwight L. Brandt, civil engineering, son of Jack Brandt, Rt. 1 and Bruce Lee Crager, ocean engineering, son of Mrs. Karen Crager, 407 Holman Lane.

Bridesmaids

Entertained

Bridesmaids for the wedding of Candace Dodgen and Randy Land were entertained recently with a salad luncheon in the home of Mrs. Fanny Laas.

Mrs. William R. Wilson assisted in the luncheon preparations. Miss Dodgen presented the bridesmaids with gifts. The table was decorated in the bride's colors of blue and green.

Among the guests were the mothers of the bride and groom — Mrs. Dorothy Dodgen and Mrs. Ruth Land.

Others attending were Mrs. Judy Dodgen, Miss Jan Bruton, Mrs. Glenda Seeds, Mrs. Ann Graves, Miss Nancy Glenn, Miss Kathy McNeil, Miss Rosemary Burkhardt, Miss Judy Willis, Mrs. Nancy Dodgen and Candy Dodgen.

Wedding Gifts Are Presented

Bridal gifts were presented Miss Sherry Hughes, bride-elect of Ronnie Hearn, at a shower held Saturday afternoon, July 19, in the home of Doris Gillham at 2427 15th Avenue, Canyon.

Receiving guests with the hostess and Miss Hughes were Mrs. Glenn Hughes of Canyon, mother of the bride-elect, and Mrs. Charles Hearn, Jr. of Amarillo, mother of the prospective bridegroom.

Special guests for the event were the prospective bridegroom's grandmothers, Mrs. Charles Hearn Sr. of Amarillo and Mrs. E.J. Cherry Holmes, also of Amarillo.

Guests were registered by

Misses Debbie and Cherrie Hearn, sisters of the prospective bridegroom.

The refreshment table featured a lace cloth over royal blue with an arrangement of royal blue and lavender flowers centering the table to carry out the bride-elect's chosen color scheme. Crystal and silver appointments were used for serving punch, cake and nuts with Susie Parsons and Becky Jo Lindsey presiding at the refreshment service.

Co-hostesses were Mesdames Jack Drake, Jesse Bewley, Grace Knighton, Ona Mae McMurray, Lillie Hundley and Jack Parsons.

Texas Heritage Picnic Theme

"Texas Heritage" was the theme for a family picnic held in Palo Duro Canyon this week by the Heritage Woman's Club membership.

The picnic outing featured a variety of Texas dishes with Smors from the campfire being served as dessert. Smors, as prepared at the campfire, is a well known treat among Girl Scouts featuring hot marshmallows placed between graham crackers with a segment of chocolate bar. Cowboy hats

were used as nametags and the picnic table was centered with a teapot filled with iver.

The picnic was followed with group singing of "Home, Home On The Range" after which club guests, Mr. and Mrs. J.C. Newton, discussed the pioneer days of their youth.

Families present were the George Loudders, Ronnie Gordons, Merrell Winsteads, Larry Brandons, Carl Hollabaughs, Ric Starzeckis and John Planks.

bride elect at an event July 12 in the home of Mrs. Lyndell Moore at 2426 15th Avenue. Miss Blewett was presented with a cookbook from the hostesses and received favorite recipes from guests for the recipe box, another gift of the hostesses.

She was also presented with a blue and white check gingham hostess apron and wore a matching gingham check corsage. The refreshment table featured a gingham check bouquet and her cousin, Cindy Aufleger, served refreshments while the bride-elect's sister, Tammy Blewett, presided at the guest register.

Co-hostesses for the recipe shower were Mesdames Ken Baker, Weldon Trice, Ronnie Waide, T.B. Cox, James Malone and Howard Hudson.

A personal shower honoring Miss Blewett was held June 29 with Miss Jan Henson and her mother, Mrs. Nolan Henson, as hostesses. The shower was held at the Happy Hereford Ranch, south of Canyon, and featured a Mexican supper buffet. The gift table was bedecked with an umbrella decoration and a variety of Bride dolls completed the decor for the event.

Remodeling Discussion Set Tonight

Remodeling plans for the Canyon Senior Citizens recently acquired property at 1719 5th Avenue will be the topic of a business discussion tonight, July 24, at 6 p.m.

The business meeting will be conducted by E.R. Dutch Cleavinger, chairman, and will be held in the basement of the former church building. Anyone interested in the project and discussion is welcome to attend the business meeting.

Regular weekly supper for the Senior Citizens will begin at 7 p.m. in the Canyon Community Center with fellowship and games following.

SPRY Club Sets Luncheon Today

Siesta Noticias

By DORIS McKEE
HERE IT IS time to jot down all the latest goings on out Siesta way.

Sure hope everyone has been enjoying these nice days and nights we've been having. We've been lucky so far and haven't had very many bad hot sultry days.

OUR HEARTY CONGRATULATIONS and very best wishes are extended to Cheri Risner and Barry Henson, who exchanged vows Saturday night, July 19th. Cheri is the daughter of James (Peck) and Faye Risner of 137 La Fiesta and Barry's parents are Mr. and Mrs. K.L. Henson of 4811 Rusk, Amarillo.

The double ring ceremony took place at Grace Baptist Church in Canyon and a reception followed in the fellowship hall.

The couple will make their home at 3612 Hughes in Amarillo. Cheri is employed at West Texas State University snack bar and Barry is employed at Ken Henson's Paint and Body Shop in Amarillo.

Among out-of-town guests present for the wedding were Mr. and Mrs. Roy Dodson of Vico Park and James Jr., Lee, Heather and April Risner of Marietta, Okla.

Faye Risner said they sure did enjoy their son and his family's visit, even though the weekend was very busy.

ALBERT, KATIE, DAVIA and Kathie Rinne were on vacation the past couple of weeks. Last week they loaded up the pickup and camper and off they drove Friday evening. It seemed their destination was Oak Creek, down close to Blackwell, Tex.

They arrived about midnight and were met by friends, Kenneth, Pat and Rayanna Dout and Albert's sister, Patricia, and her husband, David Koslan. On Saturday morning bright and early Albert's folks Mr. and Mrs. A.A. Rinne arrived.

All day, Saturday, everyone did their own thing, swimming, skiing, boating and even tried their luck at fishing. Of course, the fish out smarted them. They did a lot of visiting and eating. Then Sunday Kathie, with the assistance of Patricia, tried her hand at skiing. On the first try she came up and skied for quite a while. After lunch on Sunday Katie said everyone but her family packed up and headed for their homes. Sunday afternoon and Monday the Rinne clan spent a lot of time in the boat. Albert and the girls fished and Katie read.

On Tuesday they loaded up everything and headed toward home. They stopped by Wilson, Tex. at Albert's folks and then drove over to Slaton where they had supper with Kenna (Katie's sister) and Victor Eckert.

After supper Katie, Kenna and another sister, Robin, went to the hospital to visit their grandmother, Mrs. Melton Hancock. Davia and Kathie visited with baby Emily and Jeffery and Julie, and about eight o'clock the Rinne's loaded in the pickup once more and headed for Siesta.

The rest of the week and half vacation was spent at home. Albert and Katie put up shutters in the master bedroom and believe you me they really did put a lot of hard work into them.

Bridal Brunch Held Saturday

A bridal brunch honoring Miss Janna Gaye Johnson on the morning of her wedding last Saturday, July 19, was held at the home of Ada Crager.

The selected bridal colors of sky blue and white were used in decorations which featured garden petunias for the brunch centerpiece. A white brunch cloth and silver and crystal appointments completed the setting with Mrs. Clarence Thompson and Mrs. Roy Cates as co-hostesses.

Guests for the brunch included Mrs. James Roland Johnson, mother of the honoree, along with the honoree's sister, Roma Johnson, and Mrs. Larry Wartes of Hereford, mother of the bridegroom, Mrs. W. O. Wartes, the bridegroom's grandmother, and his sister, Miss Susan Wartes.

Miss Johnson and her fiancé, Michael Larry Wartes, pledged their double ring marriage vows that evening at Calvary Baptist Church in Canyon.

Other guests for the bridal brunch were Mrs. Strauss Atkinson of Plainview, Mrs. Dan Blackwell of Brownfield, Mrs. Ron Chandler of Lubbock, Mrs. Cliff Skiles of Wildorado, Mrs. Ann Dawdy and Misses Jan Westfall, Gail Thompson, Teddi Crager, and Karen Wooten.

Visitors Invited

Katherine Fortner, 76, was recently moved to the Medi-Park Care Center in Amarillo and would welcome her friends to visit with her there.

Mrs. Fortner is a sister-in-law of Flossie Money and Lela Campbell, both of Canyon.

They also did several other little jobs around their place.

MY FAMILY WAS saddened this week, when we received news of the death of a cousin, Travis Weaver, who lived at Brownwood, Texas. Our thoughts, prayers, and sympathies are with his family.

WAS TALKING TO Wanda Coffelt on Monday. She, Connie, Janet and Michael and Wanda's mother, Mrs. Bruce Eder of Amarillo, all went to Denver last week to visit Wanda's sister and family, Flora and Tommy Whitman.

They were there to check out the new baby girl, Christi Lynn, who was just four weeks old. Christi has two older brothers and two older sisters.

While in Denver Wanda and

family did some sightseeing. They went to Cinderella City shopping center, the State Capital and spent several hours at the zoo and bird world.

On Wednesday they were in Manitou Springs and went to the

A miscellaneous bridal shower honoring Miss Becky Blewett, bride-elect of Lewis Yale Poland, Jr., was held Sunday afternoon, July 20, in the home of Mrs. Crews Henry at 2618 3rd Avenue, Canyon.

Cave of the Winds, Ghost Town, Cliff Dwellings and the Garden of the Gods.

Wanda said they had a wonderful time and that she hoped they could go back before long.

Other out-of-town guests registered were Mrs. John Taulman of Anchorage, Alaska, Mrs. Tom Marr and daughter, Janice, of Lockney and Mrs. Gordon Williams of Hampton, Virginia.

Miss Janet Farmer and the bride-elect's sister, Tammy Blewett, presided at the refreshment table which was laid with an original Mexican drawn

EUNICE RINEHART SAID that she and Barney weren't doing much here lately. Barney and son, Bobby did go to Lake Meredith a couple of weeks back and stayed overnight.

They did a lot of fishing and

were very successful. I believe Eunice told me, Barney caught a 17 lb. fish. Gosh, I sure hope I'm not stretching that fish story.

We would like to say Happy Anniversary to Eunice and Barney Rinehart. On Sunday,

cloth and centered with a bouquet of blue and white daisies. Crystal and silver appointments complemented the table.

Co-hostesses were Mesdames Cristler Crain, Ronnie Wood, Roland Johnson, Keith Poole.

Doug Jones, Phillip Langen, Phil Swartzell, Charles Hillier, Bryce Slack, Charles Harter, Edith Priddy, Ada Crager, Bennie Cooper, Roy McCarter and Lynn Williams.

July 27th they will be married 48 years. I think that's just marvelous. Congratulations you two!

WE WISH TO send belated Happy Birthday greetings to Felton Conner. His birthday was July 17th. Just from what Faye told me, I don't believe 17 is any indication of his age.

SHARON, ROSCOE AND Brent Shipley went to Palo Duro Canyon on Sunday. Seems they did some horseback riding and had a good time.

DIANA AND JON Hoffman just stayed around their place, putting their valuable time to good use. Diana pulled weeds and watered the yard while Jon made a good start at their fence. He put up some of the posts and

hopes to get with the fence very soon.

WE HAVE SEVERAL girls here in the park that are interested in babysitting, so I have composed the following list: Davia Rinne — 355-1374, Cecilia Bays — 352-1913, Janet Coffelt — 355-3576, Connie Coffelt — 355-3576, Teri Mayfield — 355-5313, Christine Stewart — 130 La Fiesta (no phone).

If you need a sitter any of these girls would love to help you out.

MUST SIGN OFF for this week, but will be back same time, same place next week, so Keep on Reading.

Thought for this week, "Jog! It's great for one's figure."

See ya.

Doris McKee — 355-4133
